## Igor Kozlovsky & Marina Sharapova

### *Freedom of Illusions*

February 22 – March 23, 2019

---

*Freedom of Illusions* by artist duo, **Igor & Marina**, combine the bold colors of contemporary artistic practice with the traditional achievements of the Renaissance and Surrealist periods. Perhaps Illusions are the only places where we can feel absolute freedom. In the world of art everyone is free to choose his or her own interpretation and take a new undeveloped path to the magical place of fulfilled desires and realized dreams. Each painting in this exhibition begins as dream-sequences in which the viewer gets just a glimpse of the story and are invited to use their imagination to complete it.
