## **DAVID KROLL**

David Kroll (American, b.1956) is an avant-garde Surrealist artist whose powerful use of color and blend of styles has gained him fame and recognition as one of the leading Postmodernist painters. Kroll was born in Phoenix, AZ, and received a BFA in Painting, Drawing, and Printmaking from the San Francisco Art Institute in 1980, and an MFA in Painting and Drawing from the School of the Art Institute in Chicago in 1986.

His brief stay in Chicago and subsequent move to Vashon Island, WA, played a great role in his connection to nature. Kroll's works mostly feature birds, fish, small animals, and insects, juxtaposed in still life with magnificent European and Asian vases, bowls, and cups.
